The following principles underpin this policy:

- It will be the objective of all concerned, to resolve all complaints or grievances in a timely, consistent and fair manner; and
- All staff, parents/guardians, students, and other LYC community members have the right where they
- believe that the matter is serious enough, to report a grievance.

4.0 Procedure

4.1 Defining the nature of a Complaint or Grievance

The issue resolution procedure to be followed is dependent on the nature of the complaint or grievance or the parties involved in the complaint or grievance.

In relation to this policy a complaint is defined as an issue that can be resolved in a timely manner, and may not require a detailed investigation. Complaints may include an expression of displeasure, such as poor service, and any verbal or written complaint of a minor nature directly related to LYC.

A grievance is a formal written complaint that cannot be addressed promptly, or a complaint that involves matters of a more serious nature such as potential harassment, and requires an investigation.

LYC will use local complaints resolution procedures outlined below to seek to resolve complaints and grievances which fall within LYC's area of responsibility. All cases of serious misconduct, notifiable complaints or serious incidents will be referred to the relevant external authority.

4.2 Addressing a Complaint

When a complaint is received by LYC staff, the person to whom the complaint is addressed will:

- Encourage the complainant to resolve the complaint with the person involved directly;
- Through informal discussion, attempt to resolve the issue;
- Inform the complainant that they may request a meeting with the appropriate Head of Primary or Secondary School, Head of Administration, CFO, Head of ELC or Principal [Senior Leadership Team] to discuss their complaint; and
- Inform the complainant if the matter cannot be resolved informally or directly, to submit a formal complaint in writing.

LYC staff who wish to pursue an employment related complaint should take steps to resolve this directly with the relevant Senior Leadership member.

4.3 Dealing with a Formal Complaint or Grievance

When a formal complaint or grievance is lodged with LYC, the staff member receiving the formal complaint or grievance should record all relevant details regarding the grievance and immediately inform the appropriate member of the Senior Leadership Team.

The relevant member of the Senior Leadership Team will assess the complaint or grievance to determine if it is a notifiable grievance, a serious incident or requires mandatory reporting. (Refer LYC Mandatory Reporting Policy).

If the complaint or grievance is notifiable or needs to be reported, appropriate Head of Primary or Secondary or Head of ELC must notify the Principal and make a report to the relevant authority.

In the event of a complaint or grievance being lodged, the senior manager involved will;

- Address the grievance in a timely manner, and communicate progress to the complainant.

- Disclose any conflict of interest and stand aside from the investigation and subsequent processes and pass the matter on to the Principal if necessary;
- Consider the nature and the details of the grievance and pass the matter on to the Principal if the matter involves potential staff harassment of students, or staff harassment of fellow staff;
- Identify which LYC policies (if any) the grievance involves;
- Inform other LYC staff if their involvement is required;
- If the grievance is a notifiable or a reportable complaint, inform the complainant of the requirements to notify the relevant external authority of the grievance and explain the role that authority may take in investigating the complaint;
- Maintain appropriate records of the information and data collected, including minutes of meetings, incident reports and copies of relevant documentation relating to the grievance;
- Respect the confidential nature of information relating to the grievance and handle any grievance in a discreet and professional manner; and
- Store all written information relating to grievances securely and in compliance with the LYC Privacy Policy.

4.4 Investigating the Formal Complaint or Grievance

Complaints or grievances involving potential staff harassment or fellow staff will be investigated by a member of the Senior Leadership Team dependent on the members of staff involved and the nature of the complaint. In this instance the Principal will determine the most appropriate person to investigate the formal complaint or grievance. Complaints or grievances involving matters under an award should be investigated in line with compliance requirements of the relevant award.

Complaints and grievances involving potential staff harassment of students will be investigated by the
