## Privacy Statement

By signing this document, you acknowledge that you have read our Privacy Statement, which can be sighted at:  
<http://www.yavneh.vic.edu.au/about/privacy/>

1. This Enrolment Application constitutes an enrolment for a place into both Leibier Yavneh College (of which Yavneh College Nominees Pty. Ltd. is the Trustee) and Yeshiva! Or Hamizrachi (of which Mizrachi Nominees Pty Ltd. is Trustee), and shall be referred to hereinafter as "the College".
2. The College reserves the right to review the fees, deposits or any other monies payable to the College and reserves the right to vary, amend or alter these payments and/or terms of payment from time to time in its absolute discretion by providing notice in writing.
3. Fees are billed quarterly and are required to be paid by the first day of each term. For the avoidance of any doubt, the College reserves the right to vary, amend or alter the billing terms from time to time in its absolute discretion by providing notice in writing.
4. The College may consider individual requests for special financial consideration and may require any such requests to be made as a formal application. The College reserves the right to agree to or reject a request for special financial consideration on the terms determined by the College in its absolute discretion.
  - a. Where the College agrees to provide special financial consideration, including any variation to the payment terms or deferment or extension of the collection of fees, deposits or any other monies payable to the College, such variation, deferment or extension shall not constitute a waiver, discount or release of the payment of such fees, deposits or other monies payable to the College. I/we agree to the terms of any special financial consideration granted as determined by the College in its absolute discretion, including any demand for payment by the College.
  - b. The College when considering a request for special financial consideration may require supporting documentation, including financial information relating to income, expenses, assets or liabilities and other related financial activities. The College may also require on an ongoing basis (and on request), updated financial information.
  - c. The granting of any special financial consideration is based on the financial information provided to the College. It is your obligation to make full and ongoing disclosure and to detail any factors relevant to the application. The College may take into account any factors it determines relevant, including any extraneous factors which may be outside your control but which may impact on you. Should you request special financial consideration, you should read the full terms and conditions set out in the application form.
5. I/we believe that I/we the undersigned will be able to meet the fees and charges levied by the due dates.
6. My/our child's attendance at the College constitutes an acceptance of the terms, conditions and obligations as detailed in this document.
7. By signing this form I/we give the College permission to contact the school previously attended by my/our child in order to obtain a comment in regard to the manner in which my/our financial obligations were conducted and similarly grant the College permission to divulge such information to a School or College to which I/we have made an application to enrol my/our child. By signing this form I/we agree to all the terms and conditions set out in this form and to the rules and policies as set from time to time.
8. My/our signature on this form acknowledges that I/we have disclosed all relevant educational considerations appropriate to my/our child's needs, and will advise the College should there at any time be any relevant developments or if I/we should wish not to proceed with the application or wish to defer the application to a year other than the one requested.
9. I/we also undertake to provide the College with my/our child's most recent school reports and undertake that those reports will not be altered in any manner.
10. A term's notice in writing addressed to the College Principal is required prior to any student leaving the College. Such notice must be delivered on or before the first day of the student's last term, otherwise a term's fee will be charged. If a student leaves during a term without the appropriate notice no refund will be made for the remaining portion of that term, and the following term's fee will also be charged.
  - **The College regrets that reductions cannot be made due to any absence of fewer than two full terms.**
11. During the year digital images may be taken for archival purposes and to promote the College in a range of public forums including Facebook, Twitter, YouTube, local newspapers, promotional materials, digital media and on the College Web page. I/we understand and agree to the publication of my/our child's photograph, the release of my/our child's name to the media in appropriate situations and my/our child's address appearing on the class list.
12. Our signature on this form warrants that all information confirmed in the form and provided as part of the application process is true and correct.
13. The College reserves its rights to vary, amend or alter these terms and conditions in its absolute discretion.
14. The College reserves its rights pursuant to these terms and conditions or otherwise at law.
15. The College reserves the right to require, as a condition of enrolment and continued enrolment at the College, the provision of security in favour of the College for the payment of fees, deposits or any other monies payable to the College, in any form and/or manner as determined by the College in its absolute discretion.
16. I/we recognise that continued enrolment is at the discretion of the College Principal.
17. By signing this form we agree that we are jointly and severally liable for the performance of each of the obligations contained in this form and any grant of special financial consideration made in accordance with paragraph 4 above, including (but not limited to) the payment by the relevant due date of all fees, deposits or any other monies payable in respect of our child's attendance at the College.
